

HELP FOR STUDENTS AND PARENTS

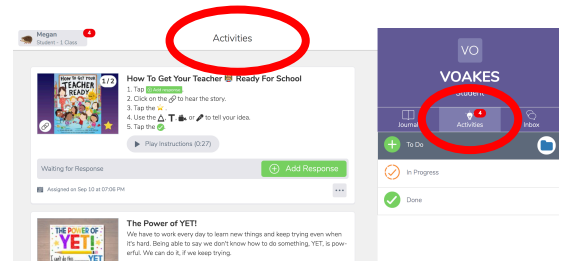

After a student logs into Seesaw, this is what they will see:

The Journal is the space where all work that a child has completed and turned in to their teacher will show.

Activities is where all of the student's assignments from the teacher will be found.

The Inbox is where messages from the Teacher to the whole class will be. All students will receive the same message. You CAN NOT send a message back to the teacher here.

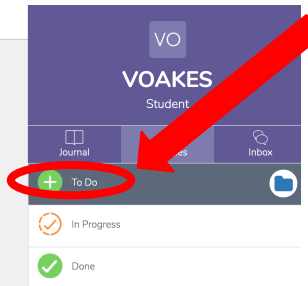

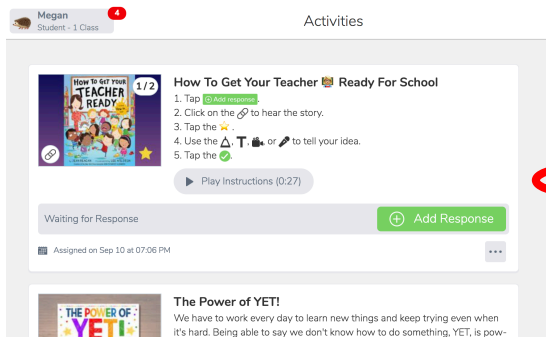

HELP FOR STUDENTS AND PARENTS

ACTIVITIES SECTION:

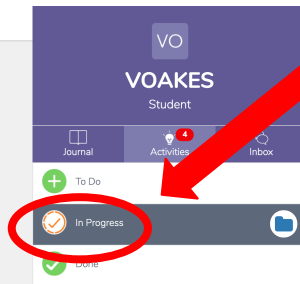

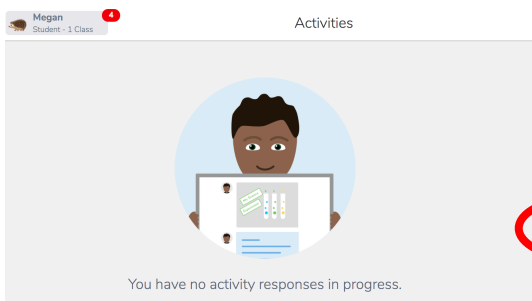

The **Activities** section has 3 folders: To Do, In Progress, Done

To Do:

Assignments from the teacher that the student has not started yet.

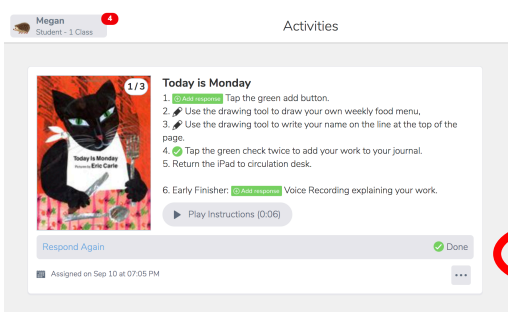

After they start it, it will disappear from the list and move to In Progress or Done

In Progress:

If a student starts an assignment, but needs more time and is not done yet, they can **save it as a Draft** and it will be in the In Progress section.

If a teacher may also return work to the student that needs to be corrected, it will be in the In Progress folder.

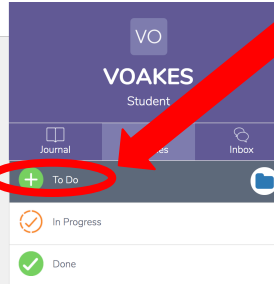

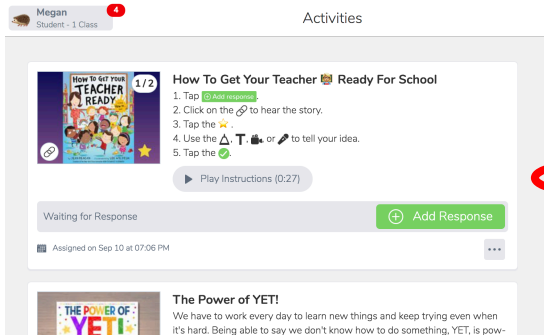

Done:

Students can look at all of the assignments they have already finished.

HELP FOR STUDENTS AND PARENTS

COMPLETING AN ASSIGNMENT:

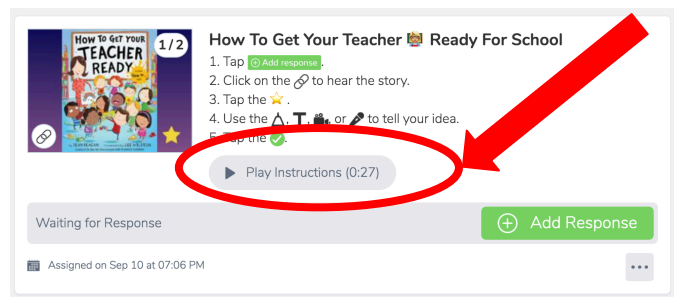

1

Click on **Activities** and go to the **To Do** section.

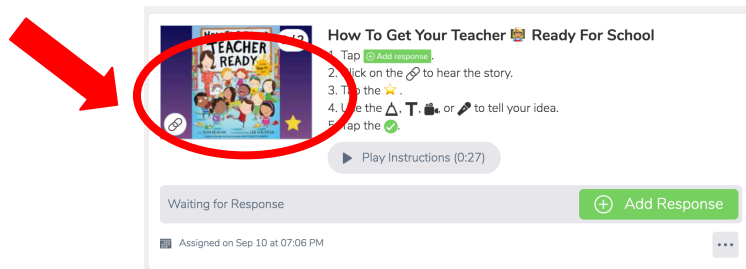

2

Look at the written directions and press play to listen to the teacher's audio directions.

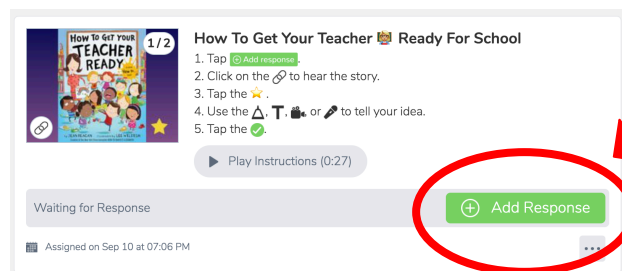

3

Click on the **lesson**.

4

Click on **Add Response**. Complete the work using the Seesaw tools (video, picture, recording their voice, drawing).

HELP FOR STUDENTS AND PARENTS

You can click on **View Instructions** to see the directions again as a "Pop Up" without leaving the student work page.

Click the orange check mark to save their work as Draft if it is not all done. It will send it to the In Progress section within Activities.

5

When the student is done working, click on the green checkmark.

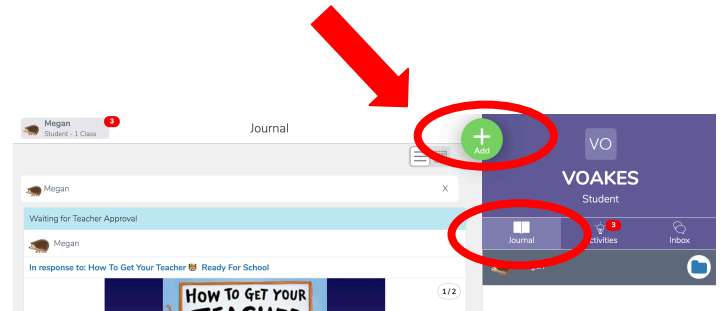

HELP FOR STUDENTS AND PARENTS

SEND A MESSAGE TO THE TEACHER:

When the student is on the Journal page, they can click on the green circle with the plus symbol to leave a question for their teacher.

They can leave a picture message, video message, or a drawing with a voice recording.

When the student finishes creating their message/question, click on the green circle with the checkmark. The teacher will receive a notification to respond.

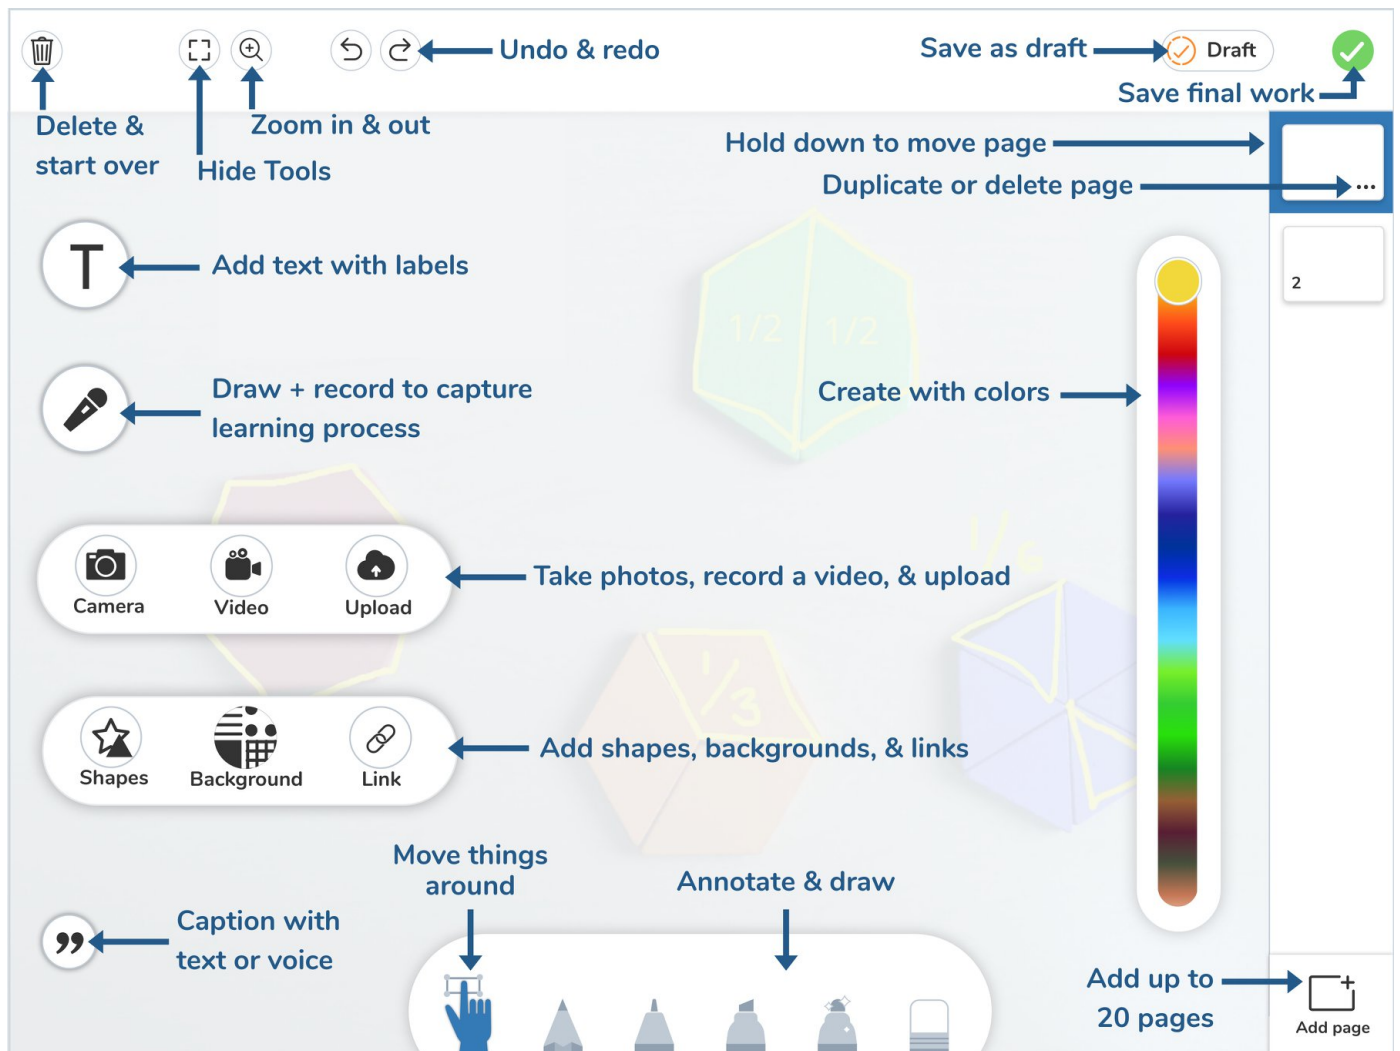

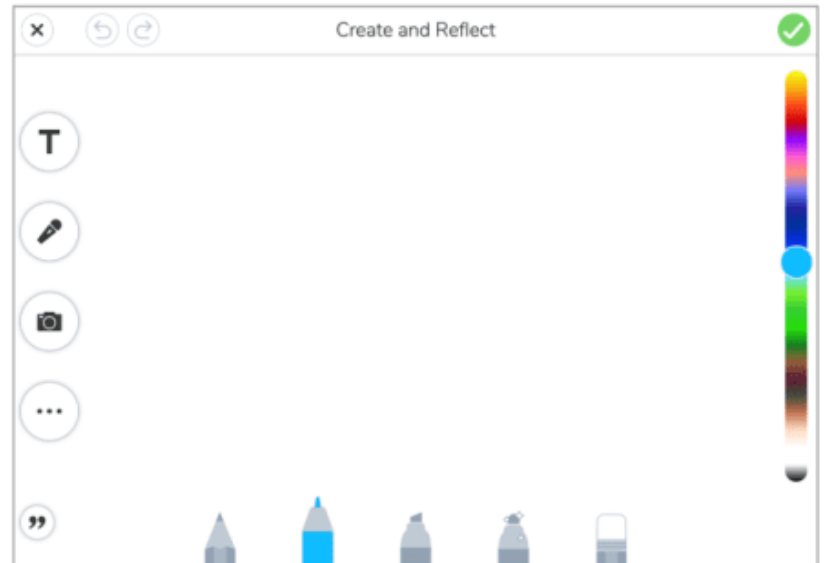

Only the student and the teacher can see what is on their journal.

TOOLS IN SEESAW:

HELP FOR STUDENTS AND PARENTS

SEESAW APPS:

Students use this app to post to their journal, respond to activities, and view announcements.

Families can access their child's journal to see their work. Families can also message the teacher.

Can be downloaded for android or apple products.
